

PRO-LIFE TEAM

Mission is one of the things that Jesus has commanded of us. Reaching out to others beyond our parish and addressing the problems of society joins our parish with the outside world and helps us to evangelize and help those marginalized or wounded, following in Jesus' example. Dignity of life is under attack, and we need a group of people to help make a stand for God, and bring this to prayer so that we can break down the barriers to love and dignity, and change hearts to respect life..
